Lagos, Nigeria | fatimahaderohunmu@gmail.com | +234 810 587 8958

PROFESSIONAL PROFILE

Mass Communication graduate with hands-on experience across journalism, digital media, virtual assistance, social media support, content writing, blogging and online research. Experienced in supporting a Melbourne-based entrepreneur and community leader with personal-brand content, Facebook content planning and publishing support, event communications and research. Also completed a 24-week internship at Voice of Nigeria across News, Broadcasting and Digital Media, gaining experience in news and feature writing, editing, website updates, current-affairs research, audience engagement and remote digital-media operations. Brings strong written communication, organisation, research and digital skills, with the ability to adapt to remote teams and different communication needs.

PROFESSIONAL EXPERIENCE

Virtual Assistant & Social Media Support

Private Client | Melbourne, Australia

June 2026 – September 2026

- Provided remote virtual assistance and social media support to a Melbourne-based entrepreneur and community leader.
- Supported promotion and communications for the client's On Our Knees community event, including event countdown content and opening speech preparation.
- Conducted online research to support content creation, event communications and community-focused topics.
- Planned, wrote, edited and supported the publishing of Facebook content aligned with the client's personal brand and voice.
- Transformed the client's ideas, notes and drafts into polished, audience-friendly communications while maintaining her personal tone.
- Developed storytelling content across entrepreneurship, jewellery, motherhood, community leadership, culture and writing, using the client's book, Mother of All Degrees, as a source of stories and themes for authentic personal-brand content.

Digital Media Intern | News Editor Intern | Broadcasting Intern

Voice of Nigeria | Lagos, Nigeria

September 2024 – March 2025 (24-week internship)

- Completed a 24-week internship across News, Broadcasting and Digital Media.
- Assisted with digital media operations remotely while working from home for the Digital Media Department.
- Assisted in managing and updating the organisation's website with news articles, programme schedules and relevant digital content.
- Collaborated with team members to write and edit news stories, feature articles and broadcast summaries.
- Conducted research on current affairs, trending topics, hashtags and audience interests to improve digital content visibility and engagement.
- Supported content planning meetings by contributing creative ideas for audience growth and online engagement.
- Participated in newsroom activities and gained practical experience in media production and communication workflows.
- Completed assignments focused on current affairs reporting and news writing.

ADDITIONAL EXPERIENCE

Independent Blogger & Digital Content Creator

Notes from Zahra | WordPress

2026 – Present

- Manage and publish written content on WordPress, including creating and editing blog posts and organising content into relevant categories.
- Research, write and edit articles covering disability, work and ambition, life and society, and personal perspectives.
- Develop clear, reader-friendly content while maintaining a consistent writing style and editorial voice.
- Manage basic website content, including pages, categories, layout and digital presentation.
- Apply storytelling and audience-focused writing techniques to make personal and informational content engaging and accessible.
